

inc/tiny_layer2.h

```
graph TD; A[inc/tiny_layer2.h] --> B[stdint.h]; A --> C[tiny_defines.h]
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'inc/tiny_layer2.h' has two blue arrows pointing downwards to two white boxes. The left box is labeled 'stdint.h' and the right box is labeled 'tiny_defines.h'. This indicates that 'inc/tiny_layer2.h' includes both 'stdint.h' and 'tiny_defines.h'.
