

src/TinyPacket.h

```
graph TD; A[src/TinyPacket.h] --> B[HardwareSerial.h]; A --> C[stdio.h];
```

The diagram illustrates a header file dependency. At the top, a box labeled 'src/TinyPacket.h' has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'HardwareSerial.h' and the right box is labeled 'stdio.h'. This indicates that 'src/TinyPacket.h' includes both 'HardwareSerial.h' and 'stdio.h'.
